WHAT TO EXPECT

The goal of this trip is to exceed expectations at every turn. We begin with an extraordinary destination, we add products from Filson and other fine purveyors that embody the upland lifestyle and experiences like cooking demonstrations, wine pairings, bourbon tastings, and hand-picked cigars. We introduce you to special guests and experts on topics large and small to guide conversations you won't have elsewhere. And we wrap your hands around best guns with instruction that will improve your shooting and enhance your passion for the upland sporting lifestyle, making your dream hunt your new reality.

THE HUNT

GAME - *Ruffed Grouse and Pheasant*

TERRAIN - *Hunts will range from the upper ridge tops to the lower valley floors. Thick, silver-dollar sized saplings with a mix of golden rod, multi-flora rose, briers and occasional Hemlock trees. Bring your brush pants, the grouse live in the 8- to 10-year-old regenerated clear-cuts.*
